

FICTIONAL SAMPLE / PREVIEW ONLY

Their story. Your heist.

Custom printable birthday escape room / \$24.99 / made to order

A personal mystery

Your names, places and memories become evidence in five connected puzzles. Maya is a fictional example; your recipient and facts replace hers.

A taste of Puzzle 01

File label: Where Maya and Ben got engaged.

Archive entry: PARIS.

Take letter 1 of the answer. You have recovered one letter of the access key.

What happens next

The full game uses your access key to decode a memory, solve courier lockers, reconnect a trail and open a five-digit vault. The sample excerpt alone cannot solve the game.

Included

Seven player pages and four host pages, in Letter and A4. Low-ink printing, progressive hints, complete solutions, a sealed final message and an optional online finale. No special locks or props.

3-5 business days after complete personalization. One small correction round. Suggested ages 12+. Best with 2-6 players, up to 8 sharing roles. About 30-45 minutes; pace varies.
